Motion was made by Mr. Hill, which carried 5:0, to adopt the following ordinance:

**AN ORDINANCE AMENDING  
CHAPTER 58, NEW KENT COUNTY CODE  
REMOVING THE RESTRICTIONS ON TRUCKS AND TRAILERS  
DISPOSING OF WASTE AT COUNTY COLLECTION SITES**

WHEREAS, the Board of Supervisors has previously adopted regulations regarding refuse collection which included restrictions relating to certain trucks and trailers permitted to dispose of waste at its collection sites; and

WHEREAS, the Board of Supervisors finds that those restrictions did not fairly achieve the Board's purpose and intent to prohibit the disposal of waste by commercial collectors at the County's collection sites, and the Board now wishes to remove those restrictions; and

WHEREAS, the Board of Supervisors further finds it to be a good opportunity to amend language regarding Freon disposal fees so that it conforms to other language in the New Kent County Code; and

WHEREAS, the Board of Supervisors scheduled and conducted a formal and duly advertised public hearing on the proposed changes on December 10, 2007, and carefully considered the public comment received;

NOW THEREFORE BE IT ORDAINED this, the 10<sup>th</sup> day of December, 2007, by the New Kent County Board of Supervisors that Chapter 58 of the New Kent County Code be amended as follows:

ARTICLE I. IN GENERAL

Sec. 58-1. Definitions.

*Hazardous waste* means a solid waste or combination of solid waste, which, because of its quantity, concentration or physical, chemical, or infectious characteristics, may:

(3) Household refrigerators and freezers and window air conditioners will be accepted at the Rt. 618 main refuse site only. These items contain Freon which must be removed before final disposal by the county. Residents will be charged a fee of ~~\$15.00~~ **as set forth in Appendix A (Fee Schedule)** for each item containing Freon. All residents will be charged the fee if proof is not provided by a licensed technician that the Freon has been removed from each appliance. Under no circumstances will any New Kent County refuse collection site accept commercial sized appliances.

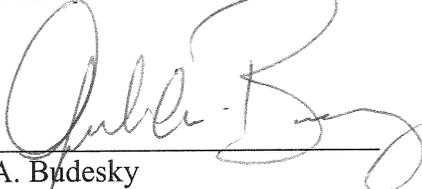

*Personal refuse transport vehicles* means cars, pickup trucks ~~without raised sides~~, and trailers. ~~no longer than ten feet in length and without raised sides and without tandem wheels.~~

ARTICLE II. COUNTY COLLECTION CONTAINER SITES

Sec. 58-41. Use.

(10) No load of solid waste larger than that capable of being transported by a pickup truck shall be deposited at collection sites Rt. 612, Rt. 634, and Rt. 647. Large loads are to be carried directly to the Rt. 618 main refuse collection site. No stumps, brush greater than six-inch in diameter and land clearing debris will be accepted at the main refuse collection site or at any county collection container site **or any other contracted refuse site.** ~~Trailers in excess of ten feet in length will be turned away from the Rt. 618 main refuse site. Trailers with artificially raised sides and or with tandem wheels will be turned away.~~

This ordinance shall be effective immediately.
