CSX announces February 1 Colony Trail railroad crossing closure

NEW KENT VIRGINIA, JANUARY 27, 2023: CSX has advised New Kent County that the railroad crossing on Colony Trail (The Colonies) will be closed starting on February 1, 2023, at 8:30 A.M. and will remain closed until the completion of maintenance work. This work is a continuation of the work initiated in late November 2022.

CSX and their contractors state that residents will be able to access the right of way that parallels the track during daylight hours only. Flaggers will be staged at either end of this access road and a message board will alert residents of the closure. The siding detour will be closed at dark for safety reasons.

New Kent County has plans in place to address public safety needs in the community during this projected closure. We will share information regarding any revisions in the scheduling of this event, if any occur, as we become aware.

This project will be managed by CSX Railroad and/or their contractors.
